When Sean Tiffany was growing up, he lived on a small island off the coast of Maine. Every day, from sixth grade until he graduated from high school, he had to take a boat to get to school. When Sean isn't working on his art, he works on a multimedia project called "OilCan Drive," which combines music and art. He has a pet cactus named Jim.

My son LOVES this book (and we have started the whole Jake Maddox collection). A second grade reader, just focusing on comprehension, this book kept his attention the whole time. I also love that there was a great lesson to the whole book. If your child likes sports, this author is for you!

My 8 year old son loves this whole Jake Maddox series.
