Best Of Amish Cooking: Traditional And Contemporary Recipes Adapted From The Kitchens And Pantries Of O

Synopsis

Recipes adapted from the kitchens and pantries of Amish cooks. Presented in their historical setting. Beautiful color photos. Delicious, savory recipes. Better Homes and Gardens Books Club. Featured by Book of the Month Club. Better Homes and Gardens Cook Books Club. This beautiful book by a leading expert on Amish cooking highlights traditional and contemporary recipes adapted from the kitchens and pantries of Amish cooks. Phyllis Pellman Good has spent years researching these foods. She has interviewed Amish grandmothers and dipped into old books, diaries, and recipe boxes. The dishes she selected are ones that were and continue to be popular in eastern Pennsylvania, usually in the Lancaster area. According to Good, they reflect the fruitfulness of Amish fields and gardens, as well as the group's emphasis on family and community. Wonderful descriptions and introductions prepare the setting. And delicious, savory recipes fill this book with some of the best food you'll find anywhere. Skyhorse Publishing, along with our Good Books and Arcade imprints, is proud to publish a broad range of cookbooks, including books on juicing, grilling, baking, frying, home brewing and winemaking, slow cookers, and cast iron cooking. We've been successful with books on gluten-free cooking, vegetarian and vegan cooking, paleo, raw foods, and more. Our list includes French cooking, Swedish cooking, Austrian and German cooking, Cajun cooking, as well as books on jerky, canning and preserving, peanut butter, meatballs, oil and vinegar, bone broth, and more. While not every title we publish becomes a New York Times bestseller or a national bestseller, we are committed to books on subjects that are sometimes overlooked and to authors whose work might not otherwise find a home.

I bought this cookbook several months ago and have made several of the dessert recipes in it. The cookbook is wonderful and everything tastes delicious. When I lived near an Amish Farmer's market, I would routinely go there when I needed to bring treats or desserts to potlucks or birthday parties. This cookbook allows me to perfectly replicate those farmer's market treats with surprisingly easy recipes. I have also tried some of the poultry recipes and while they are very simple, they are also very tasty. All the recipes use ingredients that are easy to find and the instructions are well written and easy to follow. I have a huge cookbook collection and this is definitely one of my

favorites!

Very good Amish cookbook with some cultural background included. This author went on to write many more successful cookbooks, but this was one of her first and that is why I wanted to own it. I was not disappointed when I received it because it is a very good book.

Got this for a friend, but I have an old original over 20 years old.

Had previously gotten it from the library and wanted a copy for myself to keep as there are many recipes in it I wanted to try.

Exactly what I was looking for!! Wanted some of the recipes from the old German relations now long gone. Also wanted to learn a bit about the Mennonites and the Amish. This is a great book as there was plenty of both within. Fun to read and thoughtful. As I prepare food now I often think of the ladies I 'met' within these pages.

I owned this cookbook for at least 20 yrs. but somehow lost it during our move. There were many recipes I used from this cookbook. I am extremely happy to have found a copy of it thru ! Thank you for such a wide variety of Amish cookbooks to choose from!

Love it!! I think I will use it a lot!!!

I've owned this cookbook since 1990 & I love the Amish recipes & stories behind some of the recipes. My family just loves the taste of the foods I make. I first made the Corn Fritters recipe when my boys were young & now I'm making them for my grandchildren. I've had numerous people ask for the recipes for my Baked Oyster Pie, Chicken Pot Pie, or Sugar Cookies & I tell them I got it from this cookbook. I've given this cookbook as gifts also. If you like Pennsylvania Dutch/Amish cooking, you will LOVE this cookbook! Recipes include Shoofly Pie, Hog Maw(Pig's Stomach), & Whoopie Pies. YUM! You will not be sorry!
