Unicorns Farting Coloring Book: A Hilarious Look At The Secret Life Of The Unicorn

Synopsis

Unicorns are special and magical creatures. They are beautiful, majestic and pure. They carry themselves with dignity and pride wherever they go. But, they have a secret unknown to most.....they love to FART! They break wind anywhere and everywhere. They really love to share their odious explosions. So if you smell something noxious in the air and you donâ™t know where it came from, there is probably a Unicorn close by, letting one rip. Now anytime you drop one at an inappropriate time, just blame a Unicorn! Fun Gift Idea For Silly People of All Ages.

Customer Reviews

This was a white Elephant gift. It was stolen often! I do think the price is high given the number of pages but I would still recommend given the number of laughs and overall popularity of the item amongst the crowd.

Hilariously illustrated, lighten up and color your way through the day with farting unicorns. A great way to chill, refocus, and be creative.

Great book
