Customer Reviews

We leave for Moscow in 21.8 and still didn't arrive, not the guide and not the map, I'm very disappointed

This map of the subways and streets came in so handy for our trip to Moscow. The lamination protected the map superbly and you will need to protect the map because it could rain anytime in Russia.

I've never gone wrong with a map by this company. Detailed and durable. Besides, there are not that many maps of Moscow on the market.

Great value for the money. The laminated map is a must for rainy weather.

Good

Very sturdy

Great laminated map, all the highlights of the Kremlin magnified, great overview of the

metro/subway system, extensive listing of streets & attractions on their coordinates on the general map
