# 10 Step Self-Publishing BOOT CAMP: The Survival Guide For Launching Your First Novel (Career Author #1)

## Synopsis

Launch Your Author Career! Do you want to make a living with your books? Do you see self-published authors succeeding and want to join them but are unsure how? This 10 Step Boot Camp gives you everything you need to conquer your fears, target the market, and launch your first novel—and your career. Veteran indie author Susan Kaye Quinn walks you step-by-step through the process, start to finish. In **BOOT CAMP**, you will find:

- How to decide when to make the leap into self-publishing
- How to make a gorgeous cover, write a killer blurb, and select the right categories for your book
- all the things you need to publish a book that will sell
- How to launch your novel, plus examples of successful book launches
- How to build your fanbase and market in a way that will get your book in front of the people who want to buy it

**BOOT CAMP** will start you on the career you really want. The one where your words will surprise and delight readers around the world. **BOOT CAMP** will give you the insider tips and marketing tools that really work. **BOOT CAMP** is the essential guide you need to start your author career. Get started on your journey today! ~\*~ Join SKQ's **FOR LOVE OR MONEY** Newsletter to get her latest thoughts on the fast-changing world of indie publishing: **JOIN HERE:** <http://smarturl.it/FLOMsubscribe> and Check out SKQ's blog for authors with a wealth of information on writing and self-publishing: <http://susankayequinn.com/for-authors>

Susan Kaye Quinn is a veteran indie author who has published over 30 novels across two pennames. She makes a living with her fiction, and she wants you to live out your dreams as well. (**BOOT CAMP** is the third iteration of Sue's Indie Author Survival Guide with 75% new content.) **10 Step Self-Publishing** **BOOT CAMP** and **5 Steps to Self-Publishing FOR LOVE OR MONEY** are the first two books in S.K. Quinn's **Career Author** series, meant to help you get started and grow your career as an indie author.

## **Customer Reviews**

I read this book based on a recommendation from one of the Facebook groups I belong to, and before you ask- no I don't remember which one. I've read a few other how-to books, but this one has been one of the best so far. Her casual style made me comfortable and I felt like we were talking over drinks. She was never condescending and I did not feel like she was bragging. I like that she talked about her personal stories, but she also included success stories from other people. I learned a ton in the couple of hours it took me to read this.

An excellent field guide for the new author seeking to plunge into the daunting jungles of self-publishing. The author has put together a tidy and easy to read guide that covers quite the gamut of things an aspiring author should know, if they're thinking about publishing a book themselves. I wish I had access to a book like this when I first set out to write and publish. I would've avoided many pitfalls and misconceptions. And even though I had already taken the step to self-publish, I still found this book to be replete with good advice and I came away from the read all the wiser. I highly recommend it.

Susan Kaye Quinn is a successful self-published author who lays out the steps you need to begin and sustain your self-publishing endeavor. Everything from laying out what you want to do, to overcoming fears about self-publishing and writing, to writing, launching and marketing your books. Self-publishing is constantly changing. I read the previous incarnation of this book (Indie Author Survival Guide) and this new version is up-to-date and relevant to today's indie publishing. "10 Step

"Self-Publishing BOOT CAMP" is a great blueprint that will help you lay a solid foundation for your self-publishing. I highly recommend it!

If you're new to self publishing, this book is the next best thing to having a highly experienced author sitting next to you, helping you figure out how it all works. Everything in this book is easy to understand, practical, and obviously comes from someone who has been there and wants to help you succeed. And if you're not new, you'll still find lots of great advice from someone with tons of personal experience. Read it! Love it! LIVE it!

Thank you, Sue Quinn, for this absolutely great book! If you are a writer looking to self-publish, you can probably find most everything you want to know right here. I should know, I've read dozens on the subject. I do think this is a revamp/enlargement of an earlier book of hers, but still highly recommended.

If you have any intention of writing fiction via self-publishing, this is the most essential book for your shelf. Nothing else to say. Absolutely buy this book.

Absolutely one of the must-have books on self publishing, covering all sorts of aspects I hadn't even thought of before. I bought the rest of the series as well.

Great motivational tool outlining things that didn't and did work for SK. Can't wait to try some of them.
