Jet Li (Martial Arts Masters)

Synopsis

These 100+ Page Biographies Examine the Lives of the Masters, as Well as the Ancient Martial Arts Discipline and Training They Needed to Become Modern-Day Role Models for Students In the past few years, martial arts action movies have hit it big in America and Canada, bringing in extraordinary box office grosses. This biography series examines the lives of contemporary masters of martial arts who have also made a successful transition to film and television. Each book follows the master from childhood through martial arts training and the struggles to become accepted in Hollywood. With a lively, attractive design and an abundance of full-color photos, this series will be a certain winner with the middle school crowd!

Customer Reviews

"Very interesting bios that kids will relate to."

If you're looking for a comprehensive biography of Jet Li, look elsewhere as Jet Li (Martial Arts Master) is more like a pamphlet that doesn't provide you with sufficient information and leaves much to be desired.

This book is BS Jet Li is no master, he is good but not that amazing.
