Customer Reviews

Love this book - it's got all the information you want in an easy to read and find format. Not too detailed. Just detailed enough. Wish they would update the book. Most recent edition is 1996. But we just took a trip and a lot of the information was still relevant.

The greatest thing this book did for me was to turn me on to Cape Ann, Massachusetts. Overall, the book is great, with good directions and a great selection of lodging and activities. There's a lot to Massachusetts besides Boston and Cape Cod!!
