Focus On Pronunciation 3 (3rd Edition)

Synopsis

The new edition of *Focus on Pronunciation* gives beginning to high-beginning students the tools, tips, and techniques they need to speak clearly, accurately, and fluently. All aspects of pronunciation are included – consonants, vowels, stress, rhythm, and intonation. The variety of activities and flexible, accessible style make learning fun. **Features:** Presentation sections feature clear explanations and diagrams. Focused Practice sections build accuracy with high-interest listening and speaking tasks and engaging games. Communication Practice sections integrate pronunciation and fluency with practice in a communicative thematic context. Natural English boxes illustrate how to speak English more naturally and fluently. Extended Practice sections encourage continued accuracy and fluency practice outside of class. The CD in the back of the book provides MP3 audio for the Extended Practice sections. Classroom Audio CDs provide the complete audio program. Complete online Answer Keys and Audioscripts are available online.

Practice sections integrate pronunciation and fluency with practice in a communicative thematic context. Natural English boxes illustrate how to speak English more naturally and fluently. Extended Practice sections encourage continued accuracy and fluency practice outside of class. The CD in the back of the book provides MP3 audio for the Extended Practice sections. Classroom Audio CDs provide the complete audio program. Complete online Answer Keys and Audioscripts are available online.

So far so good. I kinda expected it to be a heavy book with lots of theoretical and academic explanation of pronunciation, but it turns out to be much more approachable. Although I personally prefer all the theory stuff, this book still does an excellent job in explaining all the concepts plainly and clearly.

I like the parts of this that I can use, but a bunch of it is useless without the Classroom CD (which doesn't come with it).

I love this book because it has so many natural language speech and it was very helpful for my day to day learning. It has boxes of advice in every page which I love it. The quality of the pages is very good, nice and soft pages.

We got this for our son, who was in ESL when we first moved to the US. He used it over summer break and it definitely helped him improve on pronunciation.

Without CD, Why? It's not helpful

Perfect Products

It's too used.

In great condition
