Customer Reviews

Hi SS. It's me, MantisFang. Once again sry for the ultra late review. I have started to review a few weeks ago, so plz forgive me. I just wanted to say that this is another epic book written by you. The quality of the book is nice and the plot is superior too. When I first read the book, I thought dang, the Glitch is Herobrine. How are they gong to beat him. But, it seemed that is was a virus/hacked group of mobs destroying anything. That's the equivalent of Herobrine anyways!!! I was happy to find out that Dakota survives with steve and a few other wolves. Like someone else said, somethong like the Collar of Life or the Orb of Life or SOMETHING to bring his former pack back to life. They go on like an epic quest or something. Anyways thnks for taking the time to read this. Sincerely,
MantisFang887/EpicDrago887/SnailMMS ----- | | < Minecraft chicken HEAD close up

My son dived into his second book by Skeleton Steve as soon as he'd finished the Chicken Battle Steed one! There are no illustrations in this book but that didn't distract from his overall enjoyment of this new adventure. The story is about Dakota and his best buddy Archie. Ogmoe's (my son) attention was focused 100% of the time he was reading because he loved this fun adventure along with the other characters Colin, Arnou, Moon and Logan. He said the ending left him wanting to read more. From a parental point of view, this book is well written with age appropriate language. ***arc generously received courtesy of the publisher**

I think that in book two you should make Dakota, Rex, Winter, and Steve go to Worla and look for an artifact caled The Coller of Life and _____ (Write their journey) then in the end of book to make Dakota, Rex, and Winter bring teir old packs back to life and go to Worla to find

The Glitch group's weakness. P.S. I have an idea for book three and it is were They get potions from Worla that last 3 days for the fight so no one dies. And then while everyone is waiting Dakota finally mans up and asks Lupe to be his mate. And the whole group including skeleton steve,the steve,Cth'ka th creeper king,Devdan the zombie villager and everyone else because the glitch is a world wide problem. Also Steve and Dakota do three requests in return of th potions.P.S.S. Can you do this expectualy the The Coller of Life part because I think alot of people were sad about Dakota's old pack. I know is alot of pressure on you so I will be patiant.P.S.S.S. I hope this has encouraged you to write more.P.S.S.S.S. Ok I seriesly got to stop.P.S.S.S.S.S. I'll stop now.

hey it's me agin ,Oscarli am just letting you know that your books are great !keep it UUUUPPPP!!!!!!!!!!but can you put some of your books for free for a day or two cause i can't read cause i don't have kindle unlimited (my dad does not let me buy books)that would be awesome

The GLITCH is really scary! How do you kill mobs that multiply every time they're injured?? The book started out really sweet. Nice wolf family. Then it got sad, and full of action. Great story. High quality writing. My son and I loved this book!

My 8 year old son (and minecraft fanatic) loves Skeleton Steves books. They've been awesome to get a reluctant reader to read. Highly recommended!
