## **Synopsis**

Raining Down On Me: Seeking Heart Teen Series, Book ThreeAmber Wilson's junior year of high school is getting off to a start she never imagined. A month ago she had never been on a date, and now she is facing the unpredictable moment of meeting her boyfriend's parents. Discovering something unexpected about his family makes her feel more nervous, and after four weeks of nothing but blue skies surrounding her, she begins to wonder how long the blessings raining down on her can last. What if they don't like her? What if they think she is totally wrong for their son? She tries to remain optimistic, but it's not easy, and receiving a disappointing email on the same day she is scheduled to meet them doesn't help her frazzled emotions. Amber knows something isn't right with her former best friend, Nicole, but she doesn't know what's wrong or if she can help even if she gets close enough to find out. Will Nicole let Amber in on the secret she's hiding, or will all of Amber's efforts to be a friend be a complete waste of time? \*Raining Down On Me is the third book in the Seeking Heart teen series, recommended for girls age 13 and up. Books in this series are meant to be read in sequential order. Melanie Wilber is the author of the Seeking Heart series for teen girls, the Heaven in my Heart and True Friendship series for pre and early teens, and the Pure in Heart and Garden of Love series for older teens and college-age readers. She also authors several devotional books and independent novels. The Seeking Heart series was inspired by Melanie's own high school and college days and her time working at a summer youth camp where she enjoyed serving in ministry to girls of all ages and also met her husband. Their enjoyment of full-time ministry continues to this day. "You will seek me and find me when you seek me with all your heart. I will be found by you..." declares the LORD. ~ Jeremiah 29:13-14

## Customer Reviews

This book was an ok read. I personally, don't like a bunch of romance. This book has a little bit too much of that!

Simple amazing. Mrs Wilber never ceases to amaze me within her writings. In the 24 hours I have read the first three books in this series. I love them so much.
