Six Bullets To Sundown: A Western Collection; Volume 2

Synopsis

Six Bestselling Western Authors: Six Western Stories: Six New Adventures. Are you ready to ride the trail with the second explosive collection of "Six Bullets to Sundown"? Six new fast-paced Western stories from some of the greatest Western authors of today. From outlaws to hangmen, from law and justice to lawlessness. These are tales of the Old West written by six of the best. From super-bestseller Paul L. Thompson, we have "The Long Road to Nowhere"; "Taylorville Showdown" from acclaimed John D. Fie, Jr.; "Ol' Lop Ear" from C. Wayne Winkle; "Bounty Hunter For Hire" from Clint Clay; "The Legend of Bert Cook" from Orin Vaughn; and "Cimarron Frost, Bounty Hunter" from Western writer extraordinaire Mark Baugher. This is a Western collection you won't want to miss. The best of the best are collected here for the first time.

Customer Reviews

I was impressed by all the authors involved in this book set, and their apparent knowledge of the

stories they all presented. They apparently did their research and did an excellent job of presenting interesting details throughout all the stories in this book. I read most of the stories the first day, based on their entertaining capabilities. I do recommend this box set to readers of good western stories.

Wow! This is a awesome read. The first book is good but this one really is great. Both of these books have some great authors in them. I look forward to more books like these. Thanks guys for a great read.

A very good collection of short stories quite interesting. Some were a little too short though. The majority were very interesting.

Nothing like a good story to take you mind off of the summer heat.

Terrific

Ikeep buying them,whats that tell ya?

These adventures are all quick reads and nicely written. Some are just down home slap your knee adventures that you hear the old ones remember from when they heard these stories while at their grandfather's knees on the front porch.You'll who chose to read these adventures will not be disappointed or disillusioned by what you hear, because you'll feel your observers of these adventures.

This was a good opportunity to read stories from some new authors to me. I was very pleasantly surprised by the book
