Excellent book with great assortment of popular tunes by the contemporary grand master of minimalist piano music. I'd rather have a binder making it easier to keep the pages open but the book works well enough; and it'll quickly get used to being open.

My son requested this book as he loves Einaudi. He was very pleased with he book.

Amazing! I feel like I'm almost in a hypnotic state while playing these songs, that's how peaceful and tranquil they make me.

Gorgeous and soothing music.

Love Einaudi. Missing the song "Fly," but it's whatever.

Great, Great music. Ludovico Einaudi is the best! I highly suggest this to any piano player. His music is so fun and beautiful to play!

Can't wait to hear my daughter play these songs.

so so great :D :D having the best time to play it. The best songs are here, I'm so glad.
