Nehemiah - Bible Study Book: A Heart That Can Break (Living Room)

Synopsis

Nehemiah: A Heart That Can Break - Bible StudyÂ A Book by Kelly Minter is a 7-session Bible study for women. Nehemiah's heart was so broken for those in need that he left the comfort of his Persian palace to help them. Like Kelly's other studies in the Living Room Series, you'll find authentic Bible teaching, recipes, and a relational approach. Nehemiah also includes 7 video sessions and real-life ways to put feet to your faith. Are you ready to let God break your heart for a hurting, lost world and move you in compassion to be the hands and feet of Jesus?Features:Leader helpsStudy includes recipes and a relational approachAuthor: Kelly Minter is an author, speaker, songwriter, and singer. She is passionate about women discovering Jesus Christ through the pages of Scripture. So whether it's through a song, study, or spoken word, Kelly's desire is to authentically express Christ to the women of this generation. In a culture where so many are hurting and broken, she loves to share about the healing and strength of Christ through the Bible's truth. Kelly writes extensively and speaks and leads worship at women's conferences, retreats, and events.

I have not begun this study yet but love it how it is laid out. This is my first purchase from this series and I did not see the details of it in the description. It is a full 6 weeks with full daily lessons (5 days out of the week) with a 7th session to wrap up. There are a few questions throughout the lessons and recipes for each week. I was not aware that these went with video content but they are available for download on lifeways website unfortunately I can not see if they are free right now because of maintenance on their website? I am still so glad I bought this I will update depending on if the videos come with the purchase of the study. I will be looking into the other studies in this series.

This well written, well researched Bible Study. My first time to ever really study an OT book, I am so grateful for the way it was approached and Kelly's honesty. You feel like you've become her friend by the end of it. Great to do with a group or on your own - the videos that go along can be downloaded from Lifeway.com.

This is an excellent study. Kelly is highly intelligent in her writing and I love the way she adds humor and personality to the study. She includes passages from a number of other passages in the Bible to give background information as well as to help understanding of the book of Nehemiah. I have read other books by Kelly and she is one of my favorite authors!

Sometimes I can be a little skeptical of writing that seems just a little too "sweet" or perhaps predictable in a Scripture study, but I thought this one was quite thought provoking with some outstandingly quotable comments. . . . like. . . "the difference between building and rebuilding is the rubble." That's pretty profound when you take it from the physical to the spiritual.

I love Kelly Minter's ability to get to the heart of the issue. This is my second time studying Nehemiah but it has been profound and powerful. Her insight into God's word is amazing.

The pages of this book are falling out easily and in clumps. I have reordered once but everyone in our Bible Study is having the same problem. I hope this can be fixed in future printings. I don't have

much hope the next book will stay together. I will just be exceptionally more careful.

I've only done the first week and am starting week two but have really enjoyed this study book. She writes really well and applies it very well to our present day lives. I've been blessed.

Very good study. I knew nothing about Nehemiah before this. I like Kelly's style and will look for other studies by her.
