David Robson is an architect, professor, and author.

Just love this mans work. I put him up with the greats.

Beautiful book, well documented and researched.

This Bawa book is also the complete work of David Robson ,showing long time private knowledge to the person Bawa and people around him .incredible detailed -makes it an important and very

beautiful book -all over .

The book is excellent in detailing G. Bawa's works. The illustrations and pictures are also very elaborate and are a great credit to the author. I love the book.

GREAT! EXACTLY AS DESCRIBED.

I find the best, fastest and safest ways to buy any kind (even the most strange) of book that otherwise you won't easily find at your local big bookshop. I'm relying on since many years although I'm not a very frequent buyer. I would strongly suggest to make use of this fantastic online buying, you'll never repent!
