Hooked Rugs Today

Synopsis

Showcasing the talent of some of the finest living artists in the field, this armchair exhibit features over 625 outstanding color photographs of hooked rugs. A multitude of subjects are portrayed: the love of family, country, home, children, pets, flowers, history, wildlife, hobbies, and holidays, to name but a few. There are animals, both real and make-believe, rugs that tell a story, and rugs that make you laugh. They run the gamut: classic forms to abstracts, traditional to contemporary, rugs for the floor and rugs for the wall. Some deal with difficult issues, like war, terrorism, death, and grief. Others rejoice in capturing the moments that make life sweet: bringing a newborn baby home from the hospital, dancing the tango, celebrating a wedding, and playing the cello. There are many surprises, including a dog wearing a party hat, a whale spouting a bouquet of flowers, and a sheep knitting her own sweater. This wonderful book is a celebration of the love of rug hooking.

Amy Oxford is the inventor of The Oxford Punch Needle for hooking rugs, teaches nationwide, and has developed a successful teacher training program. Her rugs have been exhibited throughout New England. She is also the author of Punch Needle Rug Hooking and resides with her family in Cornwall, Vermont. Cynthia McAdoo has been photographing hooked rugs for over twenty-five years. She has also designed and hooked rugs for her family business, McAdoo Rugs, of North Bennington, Vermont.

Hooked Rugs Today is a wonderful book full of amazing photos for beginner to advanced rug

hookers. The Green Mountain Rug Hooking Guild sponsors this show that used to be held annually at the Round Barn in Shelburne, Vermont. Some of the best fiber artists in the world feature their art at this show so the works in this book are not just your ordinary hooked rugs. There are several books by Amy Oxford on this same category featuring the same show but not the same rugs. I own every one of them; they are valuable teaching aids for any rug hooking teacher.

I thought I was buying a rug hooking book, with instructions, step by step pictures. But not. After buying Amy Oxford's book I thought her book was the best way to start learning her technique. Instead, the book only has pictures of multiple rugs from an exposition.

Thanks for a great book. Super transaction. All as advertised. Highly recommend.
