Package Dimensions: 10.2 x 7.2 x 1.7 inches

Shipping Weight: 2.8 pounds (View shipping rates and policies)

Average Customer Review: 2.9 out of 5 stars 4 customer reviews

Best Sellers Rank: #2,241,820 in Books (See Top 100 in Books) #74 in [Books > Crafts, Hobbies & Home > Antiques & Collectibles > Houseware & Dining > Rugs](#) #4388 in [Books > Reference > Encyclopedias & Subject Guides > Antiques & Collectibles](#) #233834 in [Books > Arts & Photography](#)

Customer Reviews

The book is very dated, not quite useless today but not far from it. Unexpectedly, its focus is very tightly on what rugs are available on the market around 1960, and where. The information must have been priceless at the time. Today, some of the detailed information provided about the sourcing of the rugs is interesting -- the large majority of the pages, however, are totally outdated or wrong. Approximately 200 pictures, of which about a quarter are color. All pictures are in a back appendix -- none match the text.

Many typo errors in kindle edition surely not seen in original hard copy. Book is dated (1960's) but of interest to rug enthusiasts.

good for referance

This book is certainly not a complete guide. If you buy just one book on oriental rugs this should not be the one. It is overly simplistic in some area and overly detailed in others. It is neither a good book on new rugs nor of antique rugs as it is quite outdated. Still if you have a collection of rug books

already and know the subject well some nuggets of information can be gleaned from this book.
