Looks like a decent cookbook. However I don't get the rave reviews. It's almost half deserts...I returned this and prefer "Talk About Good" by the Lafayette Junior League.

This recipe book was recommended to my husband by a neighbor. He loves it. He's the cook; I am not. :)Over the holidays, some other foodie neighbors were visiting, and they were actually reading recipes from it! I kid you not. Hubby made Shrimp Gumbo from it for New Year's Eve, and the gumbo lovers raved about it. :D

This is a recipe book handed down to me by my Grandmother, so I just had to purchase one for my daughter as I'm certainly not giving up mine! The best recipe book I've ever used, hands-down!!! Love, love, love!! A staple for any household, and the best part about this cookbook is the ease of following the recipes!

This cook book has been around for a long time, and it's still the best! I'd you're from Louisiana and you don't know this, I'm not sure I understand why not. In my opinion, this book is a staple for any cook! Arrived in pristine condition. Will continue to purchase this as a gift for anyone who doesn't already have it!

Oh what a lovely book. If you like to cook and like to eat well, and like the taste of Louisiana (and if you don't, there is something serious wrong with you), this book is a great place to start for anyone cooking at home for a family. More good stuff than you could ever imagine.

Bought this and Talk About Good! from the Junior League of Lafayette. This is a very good cookbook. The one from Lafayette is even better.

I love my new River Road cookbook with the hard cover. I lost my original cookbook that I had for 40 + years, in the Great Flood of 2016, in Denham Springs, La. I will always miss my old, well used, copy but am so happy to have a new one.

wonderful too!!!
