Texts From Dog 2018 Day-to-Day Calendar

Synopsis

What would it be like if dogs could speak? What if they had smart phones and could text us their every thought? Based on the extremely popular textfromdog.tumblr.com, each full-color page of the Texts from Dog 2018 Day-to-Day Calendar features an imaginary, witty, and crass SMS exchange between Dog, the foul-mouthed British bulldog, and his owner, October Jones. From his manic, repetitive texting in all capital letters to his exuberance and enthusiasm, Dog's texts perfectly capture a typical dog's personality. As an added bonus, the back of each page includes daily extra content such as puzzles, jokes, lists, quotes, activities, tips, and trivia.

"Texts From Dog is the best tumblr about text messages from a dog ever. And I mean it." --Dave Stopera (Buzzfeed.com) --This text refers to an out of print or unavailable edition of this title.

[IN DOG TEXT BUBBLE] My name is Dog. I am the HERO of this book. Have you ever wondered what Dogs think about? Of COURSE you have. Dogs are AWESOME. Well, now you can STOP WONDERING. I have a phone. Have you ever wondered what your dog thinks about while you're gone? This book nails it. I've been

a fan of Texts from Dog on Facebook and Tumblr for a long time, but just recently found out there was a book. I purchased the Kindle version, and found no issues with formatting/etc. I just love this dog -- a bit paranoid, somewhat insecure, delusional (aren't most dogs?), and he knows how to text. A lot of the texts were new to me, so that was a real treat. Highly recommended for the dog lover. Looking forward to a sequel!

Hilarious. I loved it when I found these online, and now I can buy the book! This is a gift for a friend, but I might get my own, it's too good. Great price, fast shipping, A+.

My coworkers sometimes come by just to read this calendar. It's hilarious almost every day. Yes, there are some words that may offend some people, but if you're like me, you don't want those people coming by and looking at your stuff. I absolutely recommend this!

This has some really raunchy humor but I still love it. Some of this stuff is laugh out loud. Plan on buying it again next year.

OMG, so dang hilarious. Everyone in the office is getting a kick out of these, especially the co-worker I got it for

We are the weirdos that imagine what our dogs would say if they could talk, and this just hits it perfectly. The site is hilarious, and the book is just more hilarity!

So funny.
