Public Speaking: The Evolving Art (with MindTap&€Ž& Speech Printed Access Card)

Synopsis

PUBLIC SPEAKING: THE EVOLVING ART is the first book and integrated technology package to meet the expectations of today's students while both preserving and offering innovative variations on the well-respected traditions of public speaking instruction. Throughout the text, in short video segments, four peer mentors expertly guide readers through the concepts and strategies presented in the text. PUBLIC SPEAKING: THE EVOLVING ART is now available with MindTap Speech. MindTap Speech represents a new approach to a customizable, online, user-focused learning platform. MindTap combines all of a user's learning tools-readings, multimedia, activities and assessments-into a singular Learning Path that guides the user through the curriculum. This unique resource empowers instructors with new assessment capabilities applicable to traditional, online, and hybrid courses.

Dr. Lull holds honorary doctorates and professorships from several universities in Europe and Latin America where he regularly gives plenary addresses and seminars.

The book came fine, in decent condition, but did not have the software with it.

It said that the book comes with the access code but I only received the book.

The book was great, but got to class to find that I didn't even need the textbook, just the software that was suppose to come with it, but I didn't receive the software.

Enjoyed class in college. Very useful. Buy college books through great trade in value.

Book was new with unopened Mindtap access disc.

2 years down the road, this book is still holding up great!

Used it for my class and voila like any other book u use it and u succeed

Do not recommend purchasing, regardless of what your professor says.
