Not necessarily Boise but Idaho is probably going to be a residence. This goes along with the plan.

Bought the street map to use in and around Grand View, ID. Several of the streets shown have changed names since this was published (which is a fact not a criticism) however many of the streets around Grand View are not shown at all thus rendering this street guide useless to me.

Streets in the newer areas were not in the guide.

It's great! I use it at least once a week, being new to the area. I have used Thomas Brothers Maps all over the US.

Excellent maps for anyone, especially if you're unfamiliar with the areas. Easy to use, logical area layouts. "Don't leave home without it" especially if you can't afford a GPS unit!

These Thomas Guide's are great. Really enjoy looking at the detail. Fun just to see places you've

been or to plan a trip.
