The Willie Lynch Letter And The Making Of A Slave

Synopsis

The Willie Lynch Letter and the Making of a Slave is a study of slave making. It describes the rationale and the results of Anglo Saxon's ideas and methods of insuring the master/slave relationship. The infamous Willie Lynch letter gives both African and Caucasian students and teachers some insight, concerning the brutal and inhumane psychology behind the African slave trade. The materialistic viewpoint of Southern plantation owners that slavery was a business and the victims of chattel slavery were merely pawns in an economic game of debauchery, crossbreeding, interracial rape and mental conditioning of a negroid race, they considered subhuman. Equally important is the international nature of the European economic, political and cultural climate that influenced the slave trade. Within the time scale of African History, it was a relatively short period, a mere one and a half centuries from the most intensive phase of the Atlantic slave trade to the advent of European administration and dominance. Long before that the Slave Coast had been chartered by the Portuguese and the people off the area west of Benin, between the Volta River and Lagos, European traders traced a cultural history which linked them with the earliest Yoruba settlements to the north and eastern borders of Africa.

Best Sellers Rank: #22 in [Books > Literature & Fiction > History & Criticism > Regional & Cultural > African](#) #127 in [Books > Audible Audiobooks > Fiction & Literature > Literary Criticism](#)

Customer Reviews

Time to break the cycle.

A sick, sad and evil tale of how the negro was reduced and subdued by another, and to use the mother of the young offspring to continue the cycle of submission (diabolical). Read it, weep, and

wake up people and fight (in more ways than one) to keep this from happening again.

This book is an excellent read for POC that want to understand colorism, division, separation of the two parent home atmosphere. This little 28 page paperback woke up even more. I loved this book that I ordered another version of this book. Hence, this book put me in tears.

Great information regarding the mental division of the Af-Am Male and female; as well as the root cause of HOW...WE view one another.A MUST READ!!

Truth only hurts liars and open eyes to only a few

It's something everyone should read.

Great

Read this to get on that woke journey. To understand the problem is the way to fix it.BLACK POWER
