How To Swear Around The World

Synopsis

This essential phrasebook collects the most colorful, explicit, and outrageous ways to tell people off in every part of the world. Featuring dozens of different languages, the sayings range from everyday swears to family curses to expressions for X-rated relations with animals. Phonetic pronunciation is provided so that readers can curse like a native, and handy illustrations provide visual guides to these foreign exclamations. Perfect for the international traveler who may need to wish an enemy a painful death, insult a person's grandmother, or accuse someone's mother of having intimate relations with bears in the forest.

Customer Reviews

"Let's face it, traveling around the world costs a bucketload of money. We'd all love to be globetrotters, but, unfortunately, the closest most people get to seeing foreign countries is movies and photos on Facebook. Thankfully, Jason Sacher is here to ease the pain. What's the next best thing to visiting exotic locales? Learning how to say "Your mother is a cow!" in Turkish ("Annen big inek!"). And, of course, telling someone "Fuck your mother!" in Burmese ("Minn may minn lo!"). As useful as it is hilarious, Sacher's *How to Swear Around the World* teaches readers all kinds of vulgar phrases in dozens of different languages. Feel free to call Expedia and curse out their airfare prices using any of the book's quotes." --Complex.com

Jason Sacher is a Maine-based writer. Toby Triumph is an illustrator from the north of England, currently based in London.

Here's why I like it - there are phrases in a few languages that I couldn't get a straight answer about how say. This book covered many of them. It was a gift. Getting this book was like getting support for something I would definitely do had I the intelligence to do it. Now I do. Here's what I do not like - there are phrases that I want to be able to say in specific languages that this book doesn't cover. Also, a pronunciation guide would be nice.

Good compilation and discussion of curse words and swear phrases from around the world. Focuses on the literal translation of foreign phrases, which typically makes them seem even more ridiculous than they already are. Makes for great bathroom reading material too... for instance, you can tell your friends what you just did in several languages!

I bought this as a fathers day present for my constantly traveling dad. As long as the recipient has a good sense on humor, they will get a good laugh out of the book. Its a bit small, but definitely colorful.

Got this for my aunt. Her nick name is Nasty. No, she is not Janet Jackson. She loved it. It really is a variety of colorful swears from around the world with English translation.

Good but need phonetic pronunciation.

thanks
