Fantasy Lexicon (Dark Tales Series Book 0)

Synopsis

The Fantasy Lexicon is an encyclopedic dictionary that gives readers of this genre a beautifully illustrated definition of over 1,300 words that are commonly used in fantasy novels but may not be in familiar use today. This is the handbook needed by every fantasy writer, reader and editor and promises to enlighten, entertain and inspire creativity while expanding your knowledge of monsters, magic, weaponry and so much more. From gnomes, trolls, wizards and ghouls take an adventure and explore the world of literature. Find the key to the story by opening this book. Superbly written for clarity and illustrated with dazzling pictures that are perfect for an avid reader and writer of any age. This recently published second edition holds a special place in the fantasy genre by giving insider knowledge and explanation about books included in the Dark Tales Series set in the unique Kingdom of the Blue Moons. Called the "Best new fantasy series" it has mesmerized fans and added to the culture of fantasy and science fiction in innumerable ways.
