Customer Reviews

This map is very good and it helped me a lot on my Curaçao's trip. It's not so detailed (doesn't have all roads), but it gives you a good direction in the country. It needs a revision, because there are some data outdated (little). I recommend it!!!

This is likely the best map available if you're driving in Curacao. We just got back yesterday and found it very useful. Also, the coating on the map is particularly good. I highly recommend it.
