## Customer Reviews

Irene Alegre is a writer specializing in architecture and design. The author of the highly successful architecture book Houses 1, she lives in Barcelona, Spain.

Content is not as expected. Not good pictures quality.

Wow! so many ideas, and in such a nice presentation!

Wonderful coffee table book. Homes have been chosen with care to cover the gamut. Amazing large color pictures of places you would love to call "home" Exciting, up and coming designers works featured as well. A must have in any home!

Very well. with the best service . send it to my teacher as a gift, quickly. i love the product, it is very well balanced, has lot of weight to it, and it is very sharp. it cuts through bread so easily and makes perfect slices. quality. I'll be buying again.

The text is often out of sequence with the pictures and sometimes mentions features not shown. The pictures are high quality. The styles selected are too narrowly defined.
