All The Angels Stood

Synopsis

This is the last week in Staci Schofield's life. Her birthday is on Monday, which is also the day she plans to die. Poetic, seeing as her mother disappeared on the night of her own birthday. But when a popular guy from school, Rush, befriends Staci, will her plans change? Rush sees demons clinging to Staci and nothing has worked so far to help her. What will make a difference in her life? A friend, an intercessor? How do you help someone move from 'take my life' to 'Lord, preserve me'?

Enclosed devotionals by Karen Michelle Ricci. --- The heat of the day beat on the tracks. I sat on them, feeling the metal and its contours beneath my shorts. I laid my legs out straight, parallel to the wooden ties, then scooted back and let them hang over the track, my butt on the gravel. Was this how it would feel? The heat of the heavy metal, but with a force I couldn't imagine...ending it all. My hands, palm down, rested hard on the gravel. I dug them in further, painful and biting. It felt good to feel, really feel something. There were moments with Rush that I actually believed there was hope, someone could care, but if my mom could leave, so could he. Or my dad for that matter. Why get involved? It was easier to hope for death than for life. Death was quick, easy, permanent. Life expected too much. Too many moments, hours, and days. They stretched out like the threat of unending pain and torture. Why should I care? Why should I want to care? My God, to live with myself that long, to struggle with doubts of my own sanity, always with the feeling of impending doom and overanalyzing each thought for signs of Mom's illness. Dad would probably feel relief, in the end.

Laura J. Marshall is a full-time mom of five boys. When not on active duty, she is the best-selling

author of the Battle Cry devotional series and inspirational fiction. She's the general partner at ChristianBookFinds.com and co-founder of The Edge Books. You can find Laura's books at most online retailers. Visit her on Facebook or Twitter or on her website at <http://www.LauraJMarshall.com>

This novella reads very fast, and I highly recommend it to teens and even parents. There are aspects of depression and suicide that Ms. Marshall brings up which are extremely important and hardly discussed in health classes or youth groups. I commend Ms. Marshall for her fearless prose and delicate approach. This was a fabulous book.

I pass by this book so many times, because it was a novella. When I noticed that was offering it for free I decided to take a chance on it; oh boy I was pleasantly surprised. This was truly a wonderful story and I wish it could have been a full length novel. Laura, please bring Rush and Staci back in a full length novel.

I am not a teen, but really enjoyed this book as it brought back memories of high school and the difficulties that can come with that time of life. I love that the popular kid is a Christian and helps the young lady who is so indecisive of life... then falls in love with her! Nice !

I read this aloud with my husband and absolutely loved it! And I'm not ashamed to say that I cried during certain parts. It shows the importance of opening your heart to The Lord and also how important it is to help people around you. It was a quick read but 100% worth it!

I've heard of a few people with this gift, but this gave me a better picture. A big responsibility. He was faithful. The angels rejoice!

"All the Angels Stood" by Laura J. Marshall is an inspiring quick read. It's a good reminder that we never know how our obedience or disobedience to the Lord, will not only change someone else's life, but also our own.

I loved the hope and kindness expressed thorough the characters of this story. I would recommend this to anyone that feels alone and forgotten. Thank You Ms. Marshall, your words were very touching.

Amazing book Laura! I could not put the book down and read it in one fell swoop! I . Loved every second. Great story line that has so much substance and is far from just fluff.
