Route Britannia, The Journey South: A Spontaneous Bicycle Ride Through Every County In Britain

Synopsis

Tired of seeing Britain continually attacked by the media, politicians and the British themselves, Steven Primrose-Smith wants to see it for himself. All 97 counties of it! Surely it can't be as bad as everyone tells him. After twenty years living abroad, he thinks the time is right to search his homeland for the best of British using new eyes, those of a foreign tourist, and in the only way he knows how — by bicycle. Armed with a list of recommendations gathered from friends and strangers alike and the most spontaneous of routes, he pedals 5,000 miles through damp English country lanes, soggy Welsh moorland and windswept Scottish mountains. He gets wet quite often. Following on from the success and irreverent style of both *No Place Like Home*, *Thank God and Hungry for Miles*, Steven seeks out the quirky in the people he meets, the places he visits and the food he eats. Can his initial store of positivity survive the journey, or will it be ground down by the traffic, the weather and his British, vegetable-free diet of beer, pies and pork scratchings? In this, Book 1, *The Journey South*, Steven travels from Merseyside to Warwickshire, through the whole of Wales, the West Country, the south coast and to London. Armed with a bag of googly eyes, he meets a poetry-prescribing nurse, stumbles across Hilda Ogden's lawnmower, has his footwear stolen by foxes, discovers some very special Mexican fleas, crashes the TARDIS and visits dozens of British capitals, including its infidelity capital, its boob job capital and its dogging capital. He experiences "real" Britain — the good and the bad — its Morris dancers, pie 'n' mash and the pinnacle of British culture, a good old-fashioned street fight. The concluding part, *The Journey North*, covering the east of England, Scotland and the north-west of England is now available.

Customer Reviews

One of the funniest books I've read in a while. If you've ever wondered what it would be like to cycle up hill and down dale through every British county in damp, cold weather but just can't get motivated, then save yourself the trouble because this is the book for you. Wallow in vicarious discomfort and meet some colorful characters as you accompany Steven on his merry way. The highlight for me was meeting my brother! I can't wait for the sequel.
