Nice

Very handy kit, nice drawings.

I loved that the pencils and sharpner were built into the book. Beautiful seascapes and for me it is stress relief.

too small

Smaller than expected, not a full size book. Maybe I missed that in the description.

Was smaller than I thought it would be.

Very small pictures! You will be blind trying to figure out the lines. Not calming at all.

The coloring pages are great. Can't wait to start coloring. As usual the music goes well with the pages and relaxes you even more then just coloring.
