Old MacDonald Had A Farm: Sing Along With Me!

Synopsis

Part of a new series of board books featuring perennially popular nursery rhymes and songs, slider tabs, and cheerful illustrations. Each book in the Sing Along With Me! series has five slider mechanisms and a QR code inside that links to both an instrumental and vocal version of the nursery rhyme. Simply scan the code for little ones to listen and sing along! Have fun making animal noises with Old MacDonald Had a Farm.

Yu-hsuan Huang, also known as Smallx2, started her career as an illustrator, working on editorials, picture books, and commercial projects. She also has her own illustration brand named Smohouse. She lives with her family and two lovely cats in Taiwan.

I have become a huge fan of Nosy Crow. This is my second "Sing Along With Me!" purchase and my 2-year-old son loves it as much as the first. They are short books but durable, interactive, and fun! And they come with a song download that works easily with the scanner app on your cell phone, the song is cute and a good quality sing-along-song. I recommend!

Best of all board books I have ever bought for my son! I bought one for my 1.5 years old son, and another 4 in this series later on. With this series of books he can enjoy the song, the story, the pictures, and actually play with it: all the moving parts in the books are great for him to interact with, and animation with the song all look beautiful!

It is a beautiful book and the little girl love those cute animals.

Very sturdy book even for toddlers. Love it!

We love these books.

Tough book; not like most pull out books. Good for 2yr old.

I thought the book would be a bit longer and the song played as you turned the page. Wasn't expecting to have to download the song and play from YouTube...

very fast delivery. love it.
