Canadian Cents 1920-2012: Collector's Canadian Cents Folder

Synopsis

House your entire Canadian small cent collection in one folder. This folder's large format holds all the small cents issued since 1920 - while the competitor's smaller size requires two folders for the same date range.

Book Information

Hardcover: 4 pages

Publisher: Krause Publications (September 29, 2012)

Language: English

ISBN-10: 144023261X

ISBN-13: 978-1440232619

Product Dimensions: 7 x 0.5 x 9.5 inches

Shipping Weight: 6.4 ounces

Average Customer Review: 4.7 out of 5 stars 25 customer reviews

Best Sellers Rank: #1,078,340 in Books (See Top 100 in Books) #74 in [Books > Crafts, Hobbies & Home > Antiques & Collectibles > Coins & Medals > Coin Folders](#)

Customer Reviews

Got it super fast and it arrived in great shape. Put it to use as soon as I got it. Easy to push coins in but still be held snugly. Good product.

This album works great for my needs. I love how it fits all of the canadian small pennies minted into it, instead of having to buy three or four volumes for them. It is pretty hard to fit the older small pennies in it, so I use a washcloth and the blunt side of a large pantbrush to get the stubborn ones into the slots. The washcloths helps me to not scratch the coins and the paintbrush...well, that was what I had lying around.

The coins fit well in the folder. I like that the folder goes for 1920 thru 2012. Good quality material.

This coin folder is of excellent quality. I have a few Warman's folders in U.S. currency, but this folder is great in quality and price. The red color leaves a really attractive finish and the section for obverse editions of George V, George VI, and Queen Elizabeth II are a nice touch. The holes did seem just a smidge too small, but the coins fit in with a bit of force. Again, taking the coins back out of the holes was a bit of a challenge, but overall the quality was excellent and the folder looks really nice. I would

definitely buy again from this seller.

coins fit very good and secure ... easy to insert ...

The folders do the job. Nuff said.

This item has everything I want in a coin folder at a reasonable cost. It has a space for each coin and 1920-2012 is more extensive than other similar coin folders. It also has space for a set of type coins extending over the same period. In all a very complete showcase for my Canadian penny collection.

Awesome coin book
