JOVANA Women Knit Snow Hat Winter Snowboarding Beanie Crochet Cap (12)

Customer Reviews

Got it for my wife...Pros:-cute-warm enough... does not shield from the wind-decent qualityCons:-Craftsmanship... Chances are it's made from China.Conclusion:-My main Con is upon receipt, there was a huge line of glue gun residue across the middle. If you use a hot glue gun (it's what they used to stick the brown strip onto the hat) and pull away there is some residue that "drips across" if you're not careful. Granted it was easy to remove but still affects craftsmanship.

I bought this for myself but i gave them to my 4 yr old. Not that it fits small or anything but i knew she would love it. She get a full coverage with it and a lot of compliments.

Okay, so once I found out this was shipping to me from China I was annoyed. I have to say I am really pleasantly surprised! It said it would take a month to deliver and it only took a week or two. Very fast shipping. Additionally, the quality is great and fit is perfect! I really love this hat and its very warm. Just one negative: the buttons are hot glued onto the braid, which is then hot glued onto the hat. Hope this holds up! Overall a MUST buy!
