Harry Potter E La Pietra Filosofale (Italian Audio CD Edition Of Harry Potter And The Sorcerer's Stone)

Synopsis

Harry Potter Ã un predestinato: ha una cicatrice a forma di saetta sulla fronte e provoca strani fenomeni, come quello di farsi ricrescere in una notte i capelli inesorabilmente tagliati dai perfidi zii. Ma solo in occasione del suo undicesimo compleanno gli si rivelano la sua natura e il suo destino, e il mondo misterioso cui di diritto appartiene. Un mondo dove regna la magia; un universo popolato da gufi portalettere, scope volanti, caramelle al gusto di cavolini di Bruxelles, ritratti che scappano... Letto da Giorgio Scaramuzzino. EtÃ di lettura: da 8 anni. --This text refers to an alternate Audio CD edition.

Customer Reviews

My son was ecstatic to get the Italian version of one of his favorite books. He is trying to learn Italian and wanted something he could read in Italian particularly a book that he enjoyed and was familiar with. This gift was a big hit. It took a little while to come but it was worth the wait!

Ho letto questo libro perche' voglio mettere in pratica la lingua italiana. ho imparato molte parole utili ma anche molte parole divertente come "baccheta" e "mantello."La copertina e' bellissima!Non vedo l'ora di arrivare il secondo libro! soltanto 17 giorni piu'!

Harry Potter in Italian. If you are taking lessons here is an interesting way to help learn.

This is an excellent translation. It captures the spirit of the original and is fun to read. It is a good

choice for those who want to have fun while improving their Italian language skills.

Very happy with this book. It was purchased as a gift for my daughter who was unable to find an Italian copy while in Rome. She found editions in Rome that were in English but not in Italian. Hand it to for having what we needed.

Got this to work on my Italian since I know both of the English versions inside and out. (Lol.) It's turned out to be an incredibly useful strategy for picking up new grammar and vocabulary!

Came as requested and the Italian level seems to be good for a beginner like me that is trying to learn the language. Once I finish this one I will most likely buy the rest of the series

I am learning to speak Italian and am very familiar with the Harry Potter books. The reader, on the CD, is very entertaining and for me it is educational. I wish I bought the book along with it.
