# Heroes, Gods And Monsters Of The Greek Myths

## Synopsis

For Greek myth fans, those who can't get enough of the D'Aulaires' Book of Greek Myths, and readers who have aged out of Rick Riordan, this classroom staple and mythology classic is perfect for learning about the ancient myths! The heroes, gods, and monsters of Greek mythology come alive in this exciting collection of retellings of the ancient myths that includes tales of Zeus, Hera, Apollo, Artemis, and many more. Written in simple, direct language, *Heroes, Gods and Monsters of the Greek Myths* is an accessible and entertaining guide to the Greek myths and their players, following fearless heroes as they battle epic beasts under the eyes of the mighty immortals who rule them. From mortal warriors like Perseus and his impossible task of slaying the monstrous Medusa, to Zeus, the king of the Gods whose thunderbolts can shake the earth, to the minotaur, a gruesome beast, half-man and half-bull, who destroys young victims that are sacrificed to his terrifying power, this world is one of magic and adventure. Other featured gods and myths included are: Hades, Demeter, Hermes, Pandora, Eros and Psyche, Theseus, Midas, Pygmalion

The earth breeds giants and ogres of indescribable horror -- the heavens hold omnipotent gods and

goddesses, abounding in courage, strength and wisdom. Zeus, the almighty king of the gods, who cannot resist feminine beauty -- mortal or divine, and his jealous and vengeful wife, Hera. Perseus, fearless mortal warrior, who takes on an impossible challenge: slaying the monstrous Medusa, whose glance turns men to stone. The Minotaur, half-man and half-bull, the horrible fruit of a queen's unspeakable desire, who annually destroys the young victims sacrificed to his terrifying power. A fantastic world of spells and curses, magic and mystery, forces that create and destroy at will.

Definitely in the running as one of the best editions of the Greek myths, quite accessible to kids. Written with poetry and an excellent, engaging narrative sense.

as soon as i got this book i couldn't put it down! i wish it had more gods, more myths! it all fascinates me, but overall a great book! the only reason i'm giving it four stars is really just because it felt so short to me. you'll love it though! oh, and a big thanks to the seller for the great price and quick shipping!

This book came perfectly packaged. Delivered on time right before Christmas. The book was brand new in perfect condition. My daughter was so happy with her Christmas present. I recommend anyone buying this book it was well worth the price.

I ordered this book for a book report assignment for my child, but read it myself. I would recommend this book for anyone that is fascinated with Greek mythology.

wordy, smaller type than usual

Greek mythology but it is suitable only for beginners.

Heroes, Gods and Monsters of the Greek Myths is a collection of retellings of Greek myths and stories with lots of biographies and gods and heroes. It is aimed at middle grade kids so they are short and basic. I highly recommend this book!

Got this for my teen who had this book as a summer reading assignment. So far, it's enjoyable. Book was delivered on time. Fair condition and we expected that when we purchased it.
