Bob Proctor how can you not like it.

Not a fan of this at all. When someone starts singing affirmations--forget it. I feel like Bob is trying to promote his "singing star" and I have no clue why. It's a waste of time to listen to it. He basically has you singing "I am a magnet to money." That's it in a nutshell.

I consider Bob Proctor a modern day Napoleon Hill and Wallace Wattles, because of all the heavy motivators out there today, from Stephen Covey to Anthony Robbins, Bob Proctor is the only major one who is really talking about money. Because I'm pretty familiar with Bob's work, I had already heard a lot of this tape said before. But it's good to hear it again, especially Bob's MSI info. The music and Michele Blood singing affirmation songs took some getting used to, mostly because I'm a huge rock-n-roll fan, and I thought the songs were goofy. But the songs start growing on you, and you realize that the affirmations do work in programming your mind. Overall, BE A MAGNET TO MONEY is a good tape if you're just starting to get familiar with the prosperity movement. If you are already familiar with the prosperity movement then some of this stuff may be redundant, but it can't hurt to hear it again,

Bob Proctor telling you common sense... Michelle Blood bad music. Bad investment for those interested in personal development. I would not recommend this to anyone.

Received CD in condition and time frame promised. Very pleased and informative, thank you.

love it!!!!

I always enjoy listening to Bob Proctor. This CD is of very little inspiration or use for me.
