I want to be your PERSONAL PENGUIN from now on!

Sandra Boynton is a popular American cartoonist, writer, and songwriter. Since 1974, Boynton has written and illustrated over fifty childrenâ€™s books and seven general audience books, including five New York Times bestsellers. More than 60 million of her books have been soldâ€•â€“mostly to friends and family,â€• she says. She has also written and produced five albums of award-winning childrenâ€™s music. Three of her albums have been certified Gold, and Philadelphia Chickens, nominated for a Grammy, has gone Platinum. She lives with her family on a farm in New England. Â

Oh my, this book has lived on in our house long after my kids grew out of board books! We still

make reference that, "Sorry, I'm not your Personal Penguin." We have such fond memories of this book that I purchased this one as a gift!

This book is ok but not great like Pajama Time, Moo Baa La La La, or Oh My Oh My Dinosaurs.

This is my all-time favorite kids book. The song is so catchy and it's all about love and being friends. I also gave it to my boyfriend one year as a joke gift, but the message is still very appropriate. I have purchased this on several occasions for friends and family. Always arrives in good condition.

This book is one of my toddler's favorites. We listened to the Davy Jones version of this song, and now we can sing along during bedtime readings.

My son isn't really into this book as much as other Sandra Boynton books. I think it's only ok as well. It's not as exciting as Hippos go berzerk (one of his favorites.) If you are looking for a Boynton book, I'd recommend buying another one of hers, they are much better.

I am not familiar with this authors books, but am always on the lookout for a new book for my granddaughter (11 months) She loves music so I new she would like this and she does. I did have a problem downloading the free music mp3. After you download the song you need to change the mpeg to mp3. Otherwise it thinks it is a movie clip and it is just the song. Always a fan of Davy, maybe I can start my granddaughter young!!khuffman

The book itself is fine, but the cover of the book was pretty damaged....

Boynton is a wonderful children's book writer. We have few of her books. My favorite is The Bellybutton Book. This one is good too. There is video to go along with the story, not included with this purchase. Just YouTube it. My son is a huge penguin fan so this was right up his alley. They book is a song, the song is sung by Davey Jones. Rhyming magic fun from Boynton!
