Crazy Christians: A Call To Follow Jesus

Synopsis

An invigorating view of faith from the first African American Presiding Bishop of the Episcopal Church. "What the Church needs, what this world needs, are some Christians who are as crazy as the Lord. Crazy enough to love like Jesus, to give like Jesus, to forgive like Jesus, to do justice, love mercy, walk humbly with God" like Jesus. Crazy enough to dare to change the world. • From the very first page, Bishop Michael B. Curry's fresh, robust take on religion is unafraid to ask the tough questions. Crazy Christians is an upfront, unflinching call to those who boldly follow Christ and dare to march to beat of their own drum. Filled with inspiring sermons, including Bishop Curry's acclaimed 2012 General Convention address, this inspiring book takes a provocative look at what it really takes to make a difference. Bishop Curry encourages all of us to let go of conventions and embrace the craziness of believing we can change the world for the better.

Customer Reviews

A must-read for Christians who want to proclaim the Gospel, especially written for those who are of the Anglican/Episcopal tradition. Presiding Bishop Michael Curry builds from what seems a simple foundation to a clear call for all to embrace Jesus' Perfect Love for themselves and others.

He's a dynamic personality

There's a lot of Verna Dozier in this collection of sermons, which is a thrill and a sign of the humility of a spiritual leader who can borrow concepts from a lay person!

Insightful and down to earth insight in Christian living.

Just love Bp. Curry's writings.

Not all of the chapters in the book are equally eloquent, but the overall message of the necessity for Christians to look outside themselves and their institution to serve the poor, the marginalized and the oppressed is clear. Bishop Curry is a powerful speaker and I find his words more compelling when I listen to him rather than when I read him. I would recommend this book to friends.

I like the premise of the book, but I didn't care for how repetitive it was. I felt like I was reading the same page over and over just worded differently.

I am an Episcopalian - this book was a great insight to our Presiding Bishop. His passion and integrity come through on every page. Highly recommended!
