Lettering In The Whimsical Woodlands: A Creative Calligraphy Adventure--Nature-Inspired Projects, Prompts And Drawing Ideas

Synopsis

With a growing legion of hand-lettering fans on Instagram and her Skillshare classes, Peggy Dean is a rising star in the lettering world. As a follow-up to her successful book, *The Ultimate Brush Lettering Guide*, Dean is going back to nature in this woodland-themed book chock-full of projects, lettering tutorials, drawing how-tos, and plenty of practice pages. Whether you're looking to create some unique invitations for a party, some cute gift tags for a baby shower, or you just want to relax while enjoying the art of lettering, this is your go-to guide. The book provides plenty of space to practice basic and intermediate strokes, with the goal of creating your personal lettering style. Dean provides several complete alphabet samplers so you can practice many distinct types of lettering including playful, understated, bouncy, and airy styles. Once you've mastered lettering, Dean shows you how to draw a variety of woodland creatures, including chipmunks, birds, bunnies, foxes, as well as flowers, leaves, trees, acorns, mushrooms, and other flourishes. By combining your lettering with line drawings, you can create stunning works of art, including home decor, invitations, gift tags, and unique holiday tablescapes. For those in need of creative inspiration, Dean provides a wealth of fun and unique do-it-yourself craft ideas, including:

- Room decor: Make a statement (literally) with a hanging quote made from twine wrapped around a twig
- Use craft store moss to create a custom name or monogram
- Design charming wall art for a bedroom or nursery with an illustrated quote
- Party ideas: Create a bunting out of real leaves and white or gold paint pens
- Make a sophisticated cake topper with birch bark and easy lettering
- Unique stationery: Design your own woodland cards for every occasion
- Gift tags and invitation Ideas - Plus rustic envelope designs!

It's the love of lettering meets DIY fun. It's the must-have craft book for anyone who loves to create!
