Zoologist Jim Kavanagh has made a career out of introducing novices to plants, animals, the sciences and world cultures. In addition to creating over 500 simplified nature guides, he has also

authored guides to languages, cities and outdoor skills. An avid traveler and backpacker, Kavanagh's path has taken him around the world to many remote destinations including the upper , Africa, Australia, and the Arctic Circle (and this is just the As). He is also the author of a series of state-specific guides to common species and natural attractions and a children's book on evolution.

My 5 year old granddaughter has a bird feeder and can now easily identify the birds that visit each day.

helped me identify birds quickly. Love this entire series of guides...have purchased many for my preschool program as reference tools.

Gave this as a gift to a couple of trail bikers and they love it

Given as a Christmas gift.

sent to granddaughter, she wrote saying she was looking at the birds in OR and it was a nice size to mail.

A good resource.

worked just fine

I bought this for my grandson. He is enjoying it and is good for his scouting activities and identifying the birds in his back yard.
