Customer Reviews

Great Calendar. I've bought one every year for over 5 years now. The date squares are big enough to write bdays and appts in....while not being too big. I hang this on the pantry door in my "coke theme" kitchen. ;-)

I buy a Coke Calendar every year and this brand is the perfect size with the coolest pictures! Really goes well in my Coke Kitchen! And I like the fact that the "day blocks" are larger enough for me to write in our families appointments and to do's. Its great! I will keep coming back to buy a new one every year.

Very nice. I noticed though that some of the art is repeated from recent years calendars. I know there are not millions of Coca Cola vintage ad art available, but it would be nice to see some never before released to calendars art. Other than that highly recommended.

It's a tradition for me to give my father a Coca Cola calendar each year for Christmas and they never disappoint. He loves the retro pictures for each month and the squares for each day are large

enough for him to use to keep track of important dates.

Have a collection of Coca Cola, would not be without a coke calendar. Have had one for 30 years. Love it.

Its my yearly calendar and its alway a great calendar bright and colorful!

Bought this for gift...It is sturdy, and photos are nice. Would recommend!

Love it--I order one every year. Delivered fast!
