Features include: subject index, Scripture index, a brief biography of Oswald Chambers, and wider margins for personal notes.

Oswald Chambers (1874–1917) is best known for the classic devotional My Utmost for His

Highest. Born in Scotland, Chambers had a teaching and preaching ministry that took him as far as the United States and Japan. He died at age forty-three while serving as chaplain to British Commonwealth troops in Egypt during World War I.

I have read this book before and really enjoyed it and normally would give it a 5 star rating but have given it only 2 because it is almost unreadable due to the font size. Recently I bought 8 copies of this particular edition to share with my bible study group at a quite considerable cost. They have just come and I was greatly disappointed when I opened a copy and discovered that the print was miniscule. No one wants them because they can't read them easily. I will have to try and find some used books of a different edition to use with our study group. If you want this book I would highly recommend it but look for a different edition.

His writings are targeted toward your heart. Sometimes, I don't understand where he is going, because I'm still growing. However, each day when you read his thoughts and ask the Holy Spirit to allow you know what God is saying. Then he always hits a nerve. So, if you want a life-changing attitude, this would be the one to read and study.

The Daily thoughts and prayers are so meaningful for my personal use. If I need a subject for a study group, or speaking, I can usually find it in My Utmost..... The simplicity and depth of the writing makes it understandable and useful for any group. I have given the book to Pastors, friends and my granddaughter.

Best devotional ever...deep meaningful insight to the thoughts and mind of God

My Utmost for His Highest by Oswald Chambers, is a timeless book. It was written many years ago, but its wisdom fits perfectly for today, and will fit in the future. I attend a men's bible study breakfast once a week, and every man there has this book. Some of the books are very old and tattered, but each man loves his own book like it was new.

Very timely delivery, excellent condition. This is the way to start my day - thought-provoking commentary and so pertinent for all Christians (and others).

The print in this book is extremely tiny so those with vision issues may not be able to read it, but the

contents of the book make it very well worth the purchase. Very glad I bought it, will use it daily for the rest of my life!

Oswald boosted the faith of many, every Christian should have a copy-Kevin
