Customer Reviews

The big collection of Little Golden Books we have in our home based on all of the Disney movies have been so wonderful - with their colorful illustrations and simple words - for our older grandson, who started kindergarten last fall. We included this in a big box of "Planes"-related items as one of his Christmas gifts, and it gives a very condensed version of the movie plot, but hits on the main points in its 24 pages surrounding main character Dusty Crophopper's adventures in the Wings Around the Globe Rally. It mentions several of the main characters other than Dusty: Chug (his best friend), Skipper (his coach), Bulldog (the British Racer), El Chupacabra (Mexican racer), Ripslinger (the antagonist) and Ned & Zed (Ripslinger's thugs), as well as Bravo & Echo (the Navy jets) and the Dwight D. Flysenhower (ship). Our grandson enjoyed reading this aloud to us, and I thought about what a nice children's birthday party gift this would be ('s \$3.59 price was under the imprinted

\$3.99 price on the back cover) if accompanied by one of the diecast figures, which go for around \$6 - fun gift for just @ \$10 total!

My grandson loved this one about Planes! Glad Golden Books is up to date on stories! Great gift for his Birthday.

Good!

As other reviews have mentioned, the story in this book is very much condensed. I knew that going in so our expectations were not set high. My 2 year old son loves books and anything I can do to encourage reading is a plus. The character and story recognition appealed to him and he was excited to read this book. It is a part of our nighttime routine, we have several books in rotation.

My grandson really loved this book and his older sister had fun reading it to him. Nice movie tie in too.

Love The Little Golden Book's. I had them as a child growing up, so to see them still being continued with new movies is great!

What's not to like when you are three. Planes and "Dusty" particularly.

The quality of the book materials seems to be much lower than it was when I was a kid. Same great books though
