The Baby's Handbook: 21 Black And White Nursery Rhyme Songs, Itsy Bitsy Spider, Old MacDonald, Pat-a-cake, Twinkle Twinkle, Rock-a-by Baby, And More (Engage ... Early Readers: Children's Learning Books)

Synopsis

The Baby's Handbook includes 21 popular nursery rhyme songs. Black and white illustrations are essential as a newborn's retina can only distinguish between light and dark contrasts. Research shows that black and white images promote optic nerve growth, and help the visual part of a baby's brain to thrive and develop by leaps and bounds. Included are Itsy Bitsy Spider, Hey Diddle Diddle, All Around the Mulberry Bush, I'm a Little Tea Pot, Hickety Pickety Bumble Bee, The Grand Old Duke of York, Ride a Cock-horse to Banbury Cross, Pat-a-cake, Mary had a Little Lamb, Do You Know the Muffin Man, Round and Round the Garden, Ring-a-round the Rosie, Aiken Drum, Old MacDonald had a Farm, Row Row Row Your Boat, Baa Baa Black Sheep, Twinkle Twinkle Little Star, Hickory Dickory Dock, Star Light Star Bright, I've Been Working on the Railroad, and Rock-a-by Baby. Reading nursery rhymes helps to stimulate a baby's interest in sounds, and to develop listening skills. Singing the nursery rhymes helps to develop early language skills, and strengthens the emotional bond between a parent and their baby. This book will help your baby grow into a thriving happy toddler.

Customer Reviews

I bought this for my newborn grandson. It's full of nursery rhymes, many of which I used to sing to my son when he was a baby. When my daughter in law told me that baby's can only see in black and white, I was on the hunt. I bought two books, a shorter one with about 16 pages, and this one with 48 pages. The other book has one or two simple words paired with black and white pictures. This book is much more engaging, as it has a bunch of rhymes that can all be sung. Although I can't hold a tune for the life of me, my grandson doesn't seem to mind. We'll have many fun rocky-a-by hours with this book.
