## Customer Reviews

I ordered 15 of the Greater Hampton Roads map books from [and](#) couldn't be happier with both the product and service. I looked in the stores for the map books and could only find 1 or 2 at a time. I eventually went on-line to [.com](#) and not only found the 15 books I needed, but found them cheaper than what I would have paid in the stores. Delivery was fast and very inexpensive. I would not hesitate to use [again](#).

I have bought these maps for years. I have a Factory installed GPS and it is always a comfort to know that I have this map with me. There is nothing worse in sales to be late for an appointment and when the GPS is not as up to date as your map this comes in pretty handy.

ADC maps are always of the highest quality. I'm glad I could get this while one was still available. The company has gone out of business. I am a professional bus driver and need something like this

to plan trips.
