Customer Reviews

Great book on parasites, a must have for any reptile owner! I have learning disabilities and even this book was easy for me to read and understand.

Came well packaged and as described. Very informational book!

Very informative , I bought this book for a friend as a x-mas gift. He reads the book over and over again , he's a herp fanatic with a big collection of reptiles, a great guide for those who's a true reptile lover!!!

Helpful book.

Very useful information that I feel every reptile owner should read.

Must have!

I bought this book looking for a reference regarding reptile parasites and this book was a wonderful finding, detailed, friendly writing, great images and rich content!! It's deffinitely worth it's cost

It's a Basic but it's a good book, informs you of the most comon things that can happen to your reptiles
