Murder In Honolulu: A Skye Delaney Mystery

Synopsis

MURDER IN HONOLULU is an island mystery novel set in Hawaii. Skye Delaney is a private investigator, security consultant, and ex-cop who lives in Waikiki. When her ex-husband Carter Delaney, former prosecutor turned businessman, asks her to find out if his new wife Darlene is having an affair, Skye reluctantly agrees to take the case. Little does she know that it will turn out to be far more than infidelity. Skye confirms that Darlene is not only having an affair, but she is also doing drugs. Before Skye can tell Carter, she finds him dead in her bathtub with an apparent suicide note stuffed in his mouth. Did he really take his own life when he had so much to live for? Or was Carter murdered? Skye's current love interest is Ridge Larsen, a homicide detective for the Honolulu Police Department, who also happens to be assigned to this case once it becomes official that Carter Delaney was murdered. As Skye continues to delve deeper into the investigation of Carter's death, it becomes apparent to her that her ex had lots of secrets and just as many enemies, making him a marked man. These include working for the Honolulu Prosecuting Attorney as a consultant on a case involving a crime syndicate, being a gambling addict, and being in debt to a loan shark. While the bodies continue to pile up, Skye puts her neck on the line to find out the truth and nail a ruthless killer who has targeted her for death; even as she tries to maintain her professional objectivity and balance it with her private and romantic life. MURDER IN HONOLULU is the first book in an exciting new mystery series featuring Skye Delaney.

"Murder in Honolulu is an exquisitely rich and masterfully constructed mystery. R. Barri

Flowers now lays fitting claim to the beautiful island paradise as his territory, owning it in the same way Robert Parker owns Boston and Lawrence Sanders New York. A savvy, smooth, and sumptuous read." --Jon Land, bestselling author of Strong Vengeance

Aloha: As a part time resident of Hawaii, it was only fitting that I use the mystical beauty of the islands as the setting for a series of bestselling mystery and thriller novels. **MURDER IN HONOLULU: A Skye Delaney Mystery** takes full advantage of the wonders of Honolulu in crafting a splendid murder mystery as private eye Skye Delaney investigates the murder of her ex husband and former prosecutor Carter Delaney, a victim of foul play. You are sure to find the novel entertaining and the location pure paradise. This follows my previous Hawaii mystery, **MURDER IN MAUI: A Leila Kahana Mystery**, in which homicide detective Leila Kahana and her partner investigate the double homicide of prominent physicians at an upscale condominium. Both books are the start of two riveting Hawaii mystery series and are available in print, eBook, and audio. I hope you enjoy these as much as I did writing them. Mahalo! R. Barri Flowers
