Black's Law Dictionary, 8th Edition (Black's Law Dictionary (Standard Edition))

Synopsis

Edited by Bryan A. Garner, the world's leading legal lexicographer, Black's Law Dictionary, 8th Edition is now better than ever! The new 8th Edition has more than 43,000 definitions, plus almost 3,000 quotations. Alternative spellings or equivalent terms and expressions are provided for more than 5,300 terms and senses, serving a thesaurus-like function. The extensive appendix on legal abbreviations is a major addition. It's the first time such a comprehensive guide has been included in a modern law dictionary, and is an invaluable aid to the legal researcher. -17,000 more definitions than the 7th Edition -Newly enhanced with West Key Numbers for research reference -Includes changes made since the creation of the department of Homeland Security -Almost 3,000 quotations from authorities drawn from sources over at least five centuries -More than 1,000 law-related abbreviations and acronyms are defined -Extensive appendix on legal abbreviations -Faculty recommended

Customer Reviews

For current or future law students Black's Law Dictionary is an essential reference book for your library, and as one of my professors told me, "if you don't want an abridged education, don't buy the abridged version." You'll also gain access to an online version of Black's through any Westlaw account, but it's one version behind, and the UI isn't as easy to navigate. I think the hardcover dictionary is worth the money. Finally, a word about the Deluxe Edition: no. I can't see paying almost double for what it offers. My advice is to stick with the Standard Edition.

Fast service! Great product! Very pleased! Thank you!

Great book!

I bought Black's Law Dictionary when I was studying for pre-Law classes. It is the dictionary the college recommended for classes and one that will be used further down when practicing law. It is a good investment for anyone who is planning any time of law degree or is studying political science.

Needed in genealogy to understand some of the legal terms

This was a waste of my time and money. Any previous edition is a better resource and reference.

If you need information about law definitions this is a good book for it. It was delivered ahead of The date it was supposed to arrive.

I've first learned of this reference during my paralegal training. While working as an IP paralegal I found a copy of the Third Edition (circa 1933). I have the Eighth Edition in my library. I bought the Ninth Edition for my niece to have as a reference during her studies..com came through for me in a "clutch". Thanks .com!
