Customer Reviews

"Known for its four-color maps, photos and illustrations, the [DK] Eyewitness Guides are extremely user-friendly for travelers who want their information delivered in a concise, visual way."

• Chicago Tribune "The best option | Color photos, maps, and diagrams bring the place to life." • The Philadelphia Inquirer

I'm a visual person, and DK never lets me down when I travel to a new place and what to learn about museums, points of interest, etc. As I mentioned in another review, I recommend buying another guide to accompany the DK guide - since it's lacking in bars, restaurants, clubs, hotels, and the like. I think the Time Out Madrid guide would make a good companion guide (alongside the DK guide).

Great way to see everything you want on your terms.

Excellent resource. Used it everyday in Madrid

I think I'm done with the DK series of city guides. The Madrid guide highlights the obvious tourist locations, recommended restaurants and shopping were disappointing. Good city center map, except the Metro map was too small to use in low light.

DK Eyewitness travel books are the most update and packed with very useful information for tourists. Be sure to buy the newest or latest edition because places and prices, etc. change often.

This book was great. Just what I wanted. It's small enough to put in a bigger purse or bag to carry around with you in your trip and has little maps of the city in it as well that are helpful.

The DK Eyewitness Travel Guide series are our go-to travel guides whenever we travel overseas.

Good up-to-date information about the city, restaurants and shops. The pull-out map is great to put in your pocket as you tour the city.

Very useful for our trip to Madrid. It's map was our favorite among several we used. Very accurate and easy to follow.
