Jax (Titan)

Synopsis

Seven is an enigma. A motorcycle club princess. The daughter of a notorious gangster. The best friend of the deputy mayor. A coffee shop owner. The single mom of two young, adopted children. She's colorful, in every way possible—from her attitude to her piercings and bright pink hair—and she's a woman on a mission with the power to help broker a clean break between a powerful motorcycle club and a South American drug cartel. But not all players are ready for the game to change, including the ones she can't see like the CIA. Jax Michaelson has a bad attitude and a good shot. The former Navy SEAL has been on Titan's problem list for running his mouth since the day he showed up for work, but he does a hell of a job, and they'd never let him go. Call him cocky, that's fine, because then you'd have to admit he's the best at anything and everything—except diplomacy. When Titan is forced into the seedy drug world filled with cartel glitz and Harley-riding MCs, Seven and her family become an unexpected bargaining chip right after she and Jax find a way to stand each other—in bed. Will friends become lovers? Or are they too far gone to be opposites that attract? Is Jax nothing but a bad boy who leaves her hoping for a military hero when the burden of living as Mayhem royalty backfires and her children disappear. *JAX* is a standalone romantic suspense novel by New York Times bestselling author Cristin Harber. It features characters from the Titan, Delta, and Only series, but readers do not have to have read those books to enjoy this one. There's a guaranteed happily ever after and no cliffhanger! Enjoy!
