Mary Magdalene Beckons: Join The River Of Love (The Magdalene Teachings Book 1)

Synopsis

In July 2010, Mary Magdalene began “beckoning” to humanity through Mercedes Kirkel, coming to her daily with essential instructions for our evolution into higher consciousness. Mary Magdalene Beckons contains the full series of Mary’s messages, together with Kirkel’s insightful commentary. These universal teachings help us: Open our hearts Experience our body, sexuality, and emotions as pathways to the Divine Allow pain to take us to God Understand God as Masculine and Feminine Free us from judgment, blame, and limiting beliefs Experience the sacred partnership of the Divine Feminine and Masculine. While most books about Mary focus on her life in past times, Mary Magdalene Beckons presents Mary as a wellspring of contemporary wisdom and a shining example of the Sacred Feminine. Whether you’re new to Mary Magdalene’s teaching and compassion or a longtime admirer of hers, Mary Magdalene Beckons is a gift to the heart.

This is a channeled book which is something I love, but I realize that some will be turned off by this. It is Mary Magdalene talking through the author. Each channeled message is then expounded upon by the author, which I found very insightful and helpful. I read the book once and I don't think I got all that I could out of it, although I changed profoundly as a result. It took me a while to realize how transformational this book is. While reading it and especially after finishing it, I went through a process of getting insights, changing and growing. It is a book that I will go back to again. IMO it takes reading the book more than once to get the most out of it. Also reading the whole book proved to be critical for me. One part that was essential for me was toward the end, and still it took a while for it to sink in. Perhaps this book is best absorbed through the heart, which is something I am fairly new at. I love this book as well as the author's website and newsletter. She is in the process of publishing her second channeled book which is about sacred sexuality. I am eagerly awaiting it. Visit her website if you'd like more info.

Mary Magdalene Beckons: Join the River of Love is changing my life. It's helping me take responsibility for my emotions and feel into what my soul desires, while reconnecting with the whole universe and the heart light. It's helping me do the great work and alchemize my fears into love and light. So healing!!!! I'm working with the pain, the inclusiveness aspect Mary speaks of and the turning inward and ending projection. I just had a big shift occur, a life lesson that I feel really grateful for. Working with the energy in this book helped birth this initiation. Thank you, Mercedes and Mary, so much!

Mercedes Kinkel's revelations about Mary Magdalene come at a time when so many are in transition. Our societal fear-based reality of dread, not having enough abundance (e.g. money, jobs, relationships and real love, and material possessions) is moving from a darkness to the light just as in Jesus' time his crucifixion brought the light to a similarly dark world. Ms. Kinkel explains that the divine feminine that existed through eternity is now in the Age of Aquarius finding its proper balance in connection alongside the masculine energies both of which inhabit each of us and are present in the universe. Letting go, she explains that we are infinite consciousness and abundance exists in each of us and is plentiful in the universe. We simply have to be open and ask for love and abundance to receive God's gifts. Following her teachings we realize it is paramount that we experience the wide variety of human feelings from pain, sorrow to ecstasy, but it is critical that we do not judge others. Shame and other negative feelings should be avoided. We are perfect creatures and can have a wonderful, blissful and loving communion with God and this can be experienced through meditation, prayer, and through sexual union (ancient Indian and Egyptian tantric practices) with our lover. She explains that through love we can move from 3rd dimension consciousness to the spiritual realm of love which God always intended for us. .

Mercedes is both a clear channel and an excellent writer. It's taken me a while to read this book, because it has such a wealth of just plain good stuff in it. I've already had occasions to use what I've gained from it, in a couple of challenging interactions with others. The whole concept of emotions being basically messages from our inner guidance has me looking at them in a whole new light - not an easy task for a guy raised in our patriarchal society. Give this to friends and loved ones with whom you'd like to connect more deeply and at a more genuine level - and keep a copy for yourself to refer back to as a sort of an oracle for those times you may want a bit more clarity.

This is a beautiful book that I will return to again and again. I have found the messages to be clear,

and resonant with light and love! It's guidance is simple, but as Mary says, not easy given the conditioning of thousands of years. She teaches that through opening your heart, through feeling without story or blame, we open to God. Love and pain, she says, are both pathways to the Divine. And she teaches you how to practice keeping your heart open. She also talks about the sacredness of sexuality. She reveals how sexuality is not shameful, but another gift from God on this plane. I also enjoyed Sera Beak's Red Hot and Holy, and Flo Aveia I Remember Union.

This is an excellent book. It is a channeled book by Mercedes Kinkel, who does have a clear connection with Mary Magdalene. The messages being brought forth in this book are extremely helpful to both men and women. I particularly like the way the author (Mercedes Kinkel) elaborates on the message that Mary is giving all of us to help us as we travel this path. Mary's messages include some step by step practices to help us. This book is not full of generalities, it is very specific.

Totally beyond expectation. I didn't imagine that this book would literally be my beacon of light as I navigate my way in this crucial phase of my journey. Every day especially when I hit a roadblock, I just go to the Table of Contents, say a prayer, close my eyes and point my finger on the screen. Each time it brings me to the exact message/lesson I needed to hear. Then I'm on my way again. Thank you Mercedes Kinkel with all my heart for bringing this book to us. It's about time. ;-)

Dear Mercedes and Beloved Mary, Thank you for this gift. Truly a GODSEND. There has been so much pain in my life; suppressed for many years and by numerous means. Mary's wisdom has shifted my perspective and I no longer judge my pain as bad and therefore something to be avoided. Now as I start to cry, I go into my heart and allow myself to truly feel while holding an intention of Divine love, guidance and expectation of revelation. The emotion flows through me and I rest in "GOD" - peace, perfect peace. =) Much Love and Gratitude, Lisa NSW, Australia
