Southwest Indian Designs Coloring Book (Dover Design Coloring Books)

Synopsis

This striking collection of 30 ready-to-color illustrations display the bold designs of Indian arts and crafts. Clearly rendered in fine detail, these royalty-free images depict a wide array of patterns taken from rugs, masks, sandpaintings, pottery, jewelry, baskets, and other artifacts created by southwestern Native Americans. Included are geometrical designs on a Navajo woven saddlebag, a Chumash rock painting of mythical creatures, a colorful Hopi kachina doll, a lovely Acoma bowl decorated with floral and animal designs, an Apache "crown headdress," and 25 other handsome motifs. A delight for coloring book fans, this expressive collection will also be useful to designers and crafts people in search of authentic Southwestern tribal art.

Customer Reviews

I think the drawings could have been much better in detail and far less children's coloring book style. I expected a far more finer lined drawing than what is in this book. I thought that they would be more of the quality, once colored in, to be suitable for framing which was going to be my intent. So that was a disappointment for me. Other books printed by this manufacturer are indeed farmable in quality and that was what I was expecting. My fault I realize now.

Very nice coloring book. Fun way to learn about Native American art styles & cultures.

This is a very nice book. The illustrations are wonderful. It would be nice if the pages were perforated.

Fun book with simple drawings.

Dover usually delivers a quality product. This I'd one exception. There are pros as well as cons.'the pros include the fact with each image is a description of the object and the Pueblo from which it originated. The ci

I really like the patterns, but they are printed on both sides of the page. So I can't use Sharpies at all and even find that gel pens tend to show through the thin pages--but they don't bleed through. I would not get it again. I am usually careful to make sure the designs are printed on only one side of the sheets. Let this one slip through

Pages are very thin, to the point of indentations from coloring going through. As there is a design on each page - front and back, the ink bleeds onto the facing page, leaving at least one side on each page non usable.

Fine collection of southwest Indian treasures our residents enjoy looking at, discussing and coloring. Pretty to look at, educational and adult in nature so that it is easy to present coloring to the elderly.
